(Subject to change)

Pick Up Times

Schedules will vary due to cancellations and additions. Please be ready 10 minutes before your pick up time, and be prepared to wait 5 minutes after your pick up time before notifying the CCT Litchfield office of a late bus. The driver will only wait 1 minute beyond your pick up time.

Cancellations & No Shows...

You need to cancel your ride at least one hour prior to your scheduled pick up time by calling 320-693-7794, you can leave a message after hours. If you fail to call an hour ahead of time or if the driver comes to pick you up and you are not there it is considered a NO-SHOW and you will be charged for the ride the next time you ride. If you No-show three times you may be denied service for a period of time.

Packages

Drivers DO NOT get off and on to help carry packages. Please limit your packages to what you can carry.

- A maximum of 4 hand carried packages are allowed
- Packages taking extra seats will require addition one-way fare
- Folding package carts, lawn chairs, strollers and walkers are allowed but must be folded and stored on the bus.
- No items or packages are allowed in the aisle

Boarding the Bus

If you are not able to climb the steps to board the bus, there is a portable step the bus driver can use to make it easier for you. Buses are also equipped with wheelchair lifts. You must provide your own wheelchair or walker. For your safety and the safety of our bus drivers, we recommend that the wheelchair or walker be equipped with working breaks. If this is not possible, we ask that an aide or attendant travel with you to ensure your safety while riding the lift.

Passengers are responsible for using seatbelts. It is the LAW that all passengers use a seat belt if seatbelts are available.

Children under the age of 2 are required to be in a car seat, you must provide your own car seat, and seats may not be left on the bus.

Passengers must remain seated while the bus is in motion. Smoking, listening to music without headphones, eating and drinking are not allowed.

Subscription Service

You may qualify for subscription service if you are riding on a regular basis (to and from the same location at the same times).

Subscription service eliminates the need to call in every time you need the bus. You would automatically be put on the schedule for a **maximum of one month at a time for those times and days requested.**
