BUS PASSES

Important.....CCT will call you when your child has a couple days left on the bus pass, you than have three days to stop in the office or send a check with the bus driver to purchase a new pass.

Bus passes will stay in the office for the whole school year. We will mail it to you at the end of the year if there is any remaining.

\$18 has a \$20 value (Typically, use for in town rides \$2 each)

\$34 has a \$40 value (Typically, use for in town rides \$2 each)

\$48 has a \$60 value (Typically, use for out of town rides \$3 each)

If more than three rides are due, the child will be off the schedule until payment is paid.

After three rides owed, the child will automatically be off the bus schedule.

Pre-school Payment Policy

Parent's responsibility: No payment No ride.

CCT office must be notified if any changes or cancelations with pick-ups and/or return. **This includes "no" school days, parent event days, sick, etc.** ***24 hour + notice would be appreciated. If there are any **CHANGES** to the preschoolers pick ups or returns, **CCT office must be called 320-523-3589**. If no call is made 1 hour prior to the scheduled pick up, the rider will be charged for that trip. This is so other riders can use that scheduled time for their needs.

Once a notice has been given that a bus pass is needed, payment is expected the next time the preschooler rides. If no payment is received, the ride will be denied and taken off the schedule. The parent will then need to call into the CCT office to reschedule the preschooler's transportation, with payment.

If a preschooler misses the CCT bus, the parent/daycare may call into the CCT office to reschedule the next available time.

*With daily changes on the preschool route, times can vary. Preschoolers should be ready 10 min. before pick up time, the bus driver cannot wait. CCT driver will "honk" and then move on after one minute. **NO phone calls will be made.** If the student misses the CCT bus, call CCT office to reschedule for the soonest availability.

If there is no responsible person or adult is not available to meet child off the bus, the dispatcher will contact the Renville County Social Services and instruct the driver where to take the child, as directed by RCSS.

An adult must be in sight to wave to the CCT driver before he/she will let the preschooler off.

Child should stay in seat until the driver opens the door.

If there is no response CCT driver will notify dispatch. Dispatcher will call the pre-school and direct the driver on what to do with child.
